Notes for Candidates:					Notes for AdHoc Committees:			
<ul style="list-style-type: none"> All files will be shared with ad hoc and EC via OneDrive. NEW biobib form and subsections must be used for every file. October 15th is the cut-off date for listed, projected service or teaching related activities for this cycle and is also the deadline for deferral requests. If you plan to defer, please let the chair know ASAP. Please complete the dept. Notice of Project in Progress form when you plan to turn certain materials later due to needing to work on them in early summer. Since this alters ad hoc due dates for affected files, please get ALL pubs in by 8/20. 					<ul style="list-style-type: none"> Ad Hoc committees, please feel complete your reports with bibliographical references each time a publication is mentioned and turn in your reports, UNDATED, as early as they are completed. If there are multiple members of your committee, please have the ad hoc chair indicate who will receive which parts of the file. 			
<ul style="list-style-type: none"> For policy and file preparation guidelines, please consult Academic Files Coordinator, x 43215. 					<ul style="list-style-type: none"> Per dept. bylaws, department vote is required for "more than one step or more than one year" accelerated files, all 4th year appraisals, and all promotions) 			

*****PLEASE HAVE BIOBIB UPDATED FOR YOUR FILE DETERMINATION MEETING WITH THE CHAIR. CALL AFC WITH ?S.*****
