Secondary Literature COURSE OPTIONS

All Literature majors are required to become fluent in a second language and take at least one upper division Literature course in the language. The number of courses needed to complete this requirement varies depending on the language you choose and your proficiency in that language. Where you place in a given language sequence can be determined by an AP score, past articulated coursework, or a placement exam. Please contact our advisors for more details.

English Option

As a Spanish Literature major, English can be used for the Secondary Literature requirement. As upper division LTEN courses do not have pre-requisites, you will be able to take 3 upper division LTEN courses to fulfill 6 major requirements. These courses would overlap to fulfill the Secondary Literature requirement and all three upper division elective courses (Please Note: you have the option of taking up to 2 lower division LTEN courses towards the Secondary Literature requirement, however they will not overlap in the same way).
