### Intensive Track

The department also offers an *intensive* secondary language & literature track in many languages, which will be noted on the student’s transcript. This track is encouraged for students who intend to attend graduate school or are interested in international careers. In addition to the secondary language requirements above, students in the intensive track will complete at least two upper division literature courses taught in the language they used to fulfill their secondary language requirement. Students should consult with the academic advisor when choosing the intensive track, to go over how this affects their academic plan.

*The courses that are *bold* are the terminal courses that will directly apply to the Secondary Language & Literature Requirement for your major, so they must be taken for a letter grade. All other courses leading up to those may be taken pass/no pass.*
