If you have any questions about the major requirements or the secondary language & literature requirement, please contact a literature department advisor through walk-in advising (literature bldg, room 110) or the virtual advising center (vac.ucsd.edu).
All Literature majors are required to complete a language sequence, culminating in a terminal course (which will be applied to the major). The number of courses needed to complete this requirement varies depending on the language you choose and your proficiency in that language. Where you place in a given language sequence can be determined by an AP score, past articulated coursework, or a placement exam. Please contact our advisors for more details.

**Intensive Track**

The department also offers an intensive secondary language & literature track in many languages, which will be noted on the student's transcript. This track is encouraged for students who intend to attend graduate school or are interested in international careers. In addition to the secondary language requirements above, students in the intensive track will complete at least two upper division literature courses taught in the language they used to fulfill their secondary language requirement. Students should consult with the academic advisor when choosing the intensive track, to go over how this affects their academic plan.

The courses that are **bold** are the terminal courses that will directly apply to the Secondary Language & Literature Requirement for your major, so they must be taken for a letter grade. All other courses leading up to those may be taken pass/no pass.
