## CST 150 Zapotec Culture: Indigeneity Across Time and Place

Artist credit: Tlacolulokos

### **Zapotec Culture**

This interdisciplinary class introduces students to the historical and present-day cultures of the Zapotec people both in Oaxaca and the diaspora. Participants will learn about Zapotec culture through diverse modes of engagement, including language, film, literature, poetry, and modern digital media. Active participation is key, especially as there will be opportunities for participating in community engaged projects.
